

Ngo Minh Hieu

WordPress Developer

☎ (+84) 862 661 506 | ✉ hieunm156@gmail.com | 🌐 hieunm156 | 🌐 poptechie.io.vn

Objective

Versatile WordPress Developer with over two years of experience in crafting high-performance, SEO-optimized websites using both traditional and headless WordPress architectures. Eager to leverage expertise in modern frontend technologies (React, Next.js) and custom WordPress solutions to deliver flexible, scalable, and user-centric web applications adaptable to diverse development approaches.

Experience

WordPress Developer

Media Findme Communication And Trading Company Limited

06/2022 – 08/2024

- Developed and maintained 20+ WordPress websites using Flatsome and custom themes, achieving an average page speed score of 90+ on Lighthouse.
- Architected 2 headless WordPress solutions with React and GraphQL, reducing page load times by 30% through static generation.
- Integrated **Advanced Custom Fields (ACF)** and **WP GraphQL** for dynamic content, enabling 50% faster content updates for clients.
- Managed VPS deployments using Nginx and Apache, configuring SSL (Let's Encrypt) and UFW for secure, scalable hosting.

Projects

IELTS Prediction Test

<https://ieltspredictiontest.com>
